

Mining Engineers / Geotechnical Engineers / Civil Engineers/Geologists

- **Mining Consultancy**
- **Fantastic Career Opportunities**
- **Capital City based Positions**

Mining One is rapidly becoming one of Australia's most respected consultancy groups. We currently have offices in Melbourne, Adelaide, Perth and Kalgoorlie and will shortly be expanding to Darwin and Brisbane.

At Mining One we believe in a healthy work/life balance and are a family friendly organisation. Our Board of Directors have over 100 years experience and offer a strong mentoring and supportive environment.

We are looking to expand our team of consultants across Australia and are seeking qualified engineers in the Mining, Geotechnical and Civil fields.

These challenging roles will enable you to contribute your knowledge and innovation to each group and also assist in growing the business.

Candidates should possess the following:

- Engineering degree
- Leadership qualities
- Team oriented
- Motivation and enthusiasm
- Strong work ethic
- Australian residency

Whether you have years of experience or have recently graduated and want to take your first step into an exceptional career, we would love to hear from you.
